

In the beginning, the above page is opened. From the Login/Register tab below form will open.

The image shows a login and registration form. At the top, the "Vote's CARE" logo is centered in a black, cursive font. Below the logo, the text "Username :" is followed by a white rectangular input field. Below that, the text "Password :" is followed by another white rectangular input field. Under the password field is a black button with the word "Login" in white. At the bottom of the form, the text "New? Be member" is followed by a blue, underlined link that says "Register Here".

If you are not member, you have to register from this "Register Here" link. After clicking the link, register form will open where you can enter data and you can be member.

If the update successfully run then your new details again appear in the form of update.

Admin can change the value of service cost.

## Services

S.N.	Services	Amount	Update
1	walking	500	<a href="#">Update</a>
2	health service	2000	<a href="#">Update</a>
3	training	2000	<a href="#">Update</a>

After clicking the update link it will open a update page where admin give input.

Enter Amount :

  
  
  
  
[Cancel](#)

In above form the service cost is shown and it can only change by admin. After changing amount and clicking the button ok it will updated the cost of service.

S.N.	Services	Amount	Update
1	walking	500	<a href="#">Update</a>
2	health service	1500	<a href="#">Update</a>
3	training	2000	<a href="#">Update</a>

After login all user have to logout also from the system. So, there is “Log Out” tab. When it is clicked it will get sign out from system and return to the login page.
